DEAR GLEGG

So how are you? I am fine! (What am I doing this isn't a letter.) Well I can't believe it's all over! It brings to mind the song about breaking up that old gang of mine. Just think, the original darkroom gang is breaking up.

Well anyway I want you to remember the time we went through the halls looking for Rachel, and when the picture for Art layout was taken and threw a snowball down your back, and going outside to take pictures for Comm. Art. and sliding on the snow, and all the fun we had trying to "layout" the book!

So be careful with your camara.

Merry "Minolta!"

Someday you'll be as good as me! or even better.

Have a nice ~~life~~

Karen

Gregg!
You're a
great kid! I'm
glad I met you.
Remember the times
in the Hearth & the
Oak Room.
See ya next year.
Love,
Joyce
